A Welcome from Ken and Flossie!

Welcome to the 14th Annual Mammoth Lakes Jazz Jubilee. Our theme this year is "Freedom to Celebrate".

We are borrowing this from an organization of California and Nevada event promoters known as CALFEST. It was the theme of their 2002 annual convention. We thought it was very appropriate for our Jubilee this year, especially since our opening day is July 11 –

exactly 10 months after the tragedy of September 11, 2001.

We are proud to celebrate the many types of American music – JAZZ. We are excited about all of the new bands and players who you will be seeing and hearing this year.

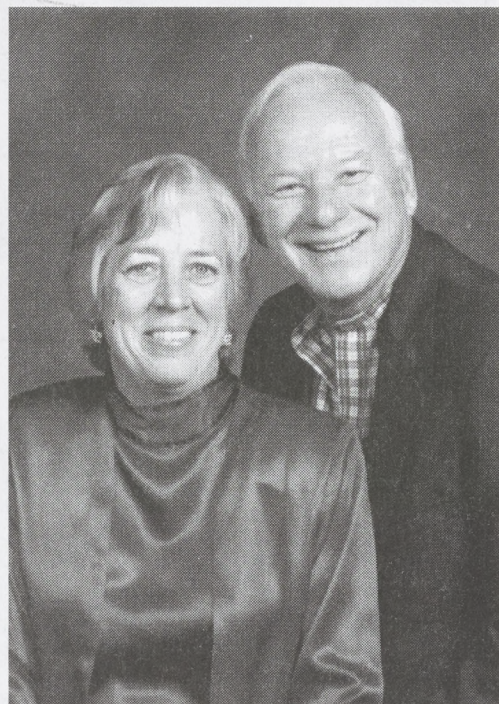

Yes, this is "JAZZ WITH ALTITUDE" and we are very proud of it.

We are also very happy about being able to use Tom's Woods. Once again, thank-you Linda Dempsey for the use of this great property. Please notice the plaque in this site on a rock dedicated to Tom Dempsey.

Thanks for joining us!

What a Celebration!

Fine music, fine friends, fine food, and a fine cigar:

WRONG!

A "Fine" Cigar...

- * Is equivalent to smoking three to eight cigarettes
- * Leads to 5-fold increase in the risk of dying from mouth and throat cancer
- * Puts out more second-hand smoke than 3 cigarettes

So why don't I FEEL enormously successful and popular?

TOBACCO... IS TOBACCO... IS TOBACCO!

There is nothing "Fine" about it!

To quit, call the Mono Co. Health Dept. Tobacco Education Program at 760-934-7059 OR the CA Smokers' Helpline at 1-800-NO BUTTS. Brought to you by Prop. 99, the 1988 Tobacco Tax Initiative.

Local Businesses Serve Up Hot Jazz

In addition to the tented venues at the 14th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment.

While most of these indoor venues are quaint restaurants, intimate cafés, and popular bars, we are again including the RV Park facility as an indoor site. Seating is limited at most of the indoor venues, so be sure to arrive early.

The following is a list of indoor venues featuring the music and fun of this year's Jazz Jubilee:

- The RV Park:

This venue is located one block east of McDonald's on State Highway 203, on the right as you are heading back towards US Highway 395.

- Whiskey Creek (Inside):

Located at the heart of the Jubilee at the corner of Minaret and Main, Whiskey Creek will feature a variety of bands on their always festive stage located inside and upstairs this popular restaurant.

- Ocean Harvest:

The downstairs of this fashionable restaurant will feature a variety of events, including the popular Pianorama.

- Matterhorn:

Located in the Jubilee hub, this local restaurant offers the infamous no-host Banjo/Guitar Brunch on Saturday morning.

- Nevados:

Also located in the Jubilee hub, this local hot spot will feature the always-popular Banjos and Cocktails (Guitars, too) affair (no-host) late Saturday afternoon.

Remember that many of these indoor locations are fairly small, and seating may be limited. Arrive early so you don't get turned away at the door. Remember also, your "All-Jubilee" badge does not guarantee you a seat at any event. If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at outdoor sites only. MLJJ

Special Needs

Each year, we make every effort to meet our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, Whiskey Creek parking lot, Grumpy's Tent and the Church. Three of these sites have paved surfaces, not wood chips flooring, making it easier for those in wheelchairs and with canes. Additionally, there is a wooden floor at the RV Park site.

Please be aware that Tom's Woods, Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind Ocean Harvest and across the street from Tom's Woods along the wall.

And for all you weary guests, check out a very special feature at Tom's Woods and at the Big Top Complex — a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices. ML/JJ

SURVIVAL GUIDE

First Aid

*The first aid station will be set up near Tom's Woods on Minaret Road. If you need help, notify any site manager (wearing red vests) and he or she will radio the nurses and paramedics on duty. Call 911 for all other emergencies in Mammoth Lakes.

FOR YOUR INFORMATION

*HAVE A GREAT TIME AND PLEASE COOPERATE WITH THE FOLLOWING GUIDELINES, WHICH WILL HELP MAKE THE JUBILEE MORE ENJOYABLE FOR ALL

***No Smoking. Because we are in a high fire-danger area, there is no smoking at any site except in the designated areas; look for the signs. Please use the buckets for your "butts". Note: ALL California bars and restaurants are non-smoking.**

*There is a lot of building and road repair occurring all over town so be EXTRA careful crossing all streets. Use crosswalks. Be aware that Minaret Road is very busy, so try to stay inside the walking lane. Also, the sites for the Big Top, Ocean Harvest Restaurant and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. Of particular concern is the fact there is limited lighting at night in front of Ocean Harvest – be very cautious! Cars and drivers are not used to a lot of foot traffic in that area.

Another area to use caution is the Holler. There are no streetlights between the Church site and the Holler so be careful when walking there. **You may want to bring a flashlight for evening walking.**

*No seat saving. **Not even** with your seat cushion! Please help us with this constant problem! We want to provide chairs for as many people as we can. **If you come into a site early and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found!** Also, once you are in a site to stay, please **DO NOT** save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. **Indoor venues have limited seating. Early arrival is suggested.** (It's OK to leave if you go to the bathroom!)

*Check the area around your seat before you leave so you don't forget anything.

*Lost and found will be located in the main ticket booth at Tom's Woods and at the badge sales booth near the Big Top, behind the Sierra Nevada Rodeway Inn.

*Recycle cans and bottles in the marked trash containers. Proceeds will go to local high school students.

*Parasols & umbrellas. Please be aware of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people!

*VCR recorders will be allowed in designated areas — only at the discretion of the bandleaders. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

*Dancing on designated dance floors will be at the following sites: RV Park, Holler, Tom's Woods, Big Top, Whiskey Creek, Church, and Grumpy's Tent. Special black-and-white floors at Tom's Woods, Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please **do not dance on the sawdust or bare dirt**; it kicks up a lot of dust and is hard on the musicians, as well as others.

*Sshh! Please hold it down! **If you must talk and socialize, please go to an "outer area" so you don't disturb people who are trying to listen.**

*Restrooms are provided at each venue. Look for signs or ask site personnel for locations. Handicapped toilets at Grumpy's, Big Top, Whiskey Creek Tent and in front of Church site.

Festival Badges

*Festival badges are required at all sites.

All-Jubilee Badge: \$60

Friday Badge: \$30

Saturday Badge: \$30

Sunday Badge: \$20

All-Jubilee Youth Badge (ages 12-16): \$10

Children under 12 years old are welcome free with adult, if they are supervised.

*Parking will require "common sense." It will be limited, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: Whiskey Creek lot, Community Center lot on Forest Trail, Mammoth High School and a big new lot across from Juniper Springs Lodge, up Meridian Blvd., about a mile from the "Holler." Please do not block parking spots designated for band members or our hardworking crew. And always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the Mammoth High School parking lot, and the new area – a large parking lot up Meridian Blvd. (free). Please see map in this program to find location and pickup times.

*Alcoholic beverage policy. Any beverage you purchase at one of our food/drink booths may be taken out of an outdoor site, transported down the street, and taken into another outdoor site. Please note: California law DOES NOT allow open containers of alcohol in cars — DO NOT TRANSPORT YOUR JUBILEE-PURCHASED ALCOHOLIC BEVERAGE IN A CAR. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our **OUTDOOR SITES**. NO ALCOHOL ON SCHOOL BUS.

Sorry — still no coolers or thermoses allowed in any venue.

This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please **do not** take beverages in or out of Nevados, Matterhorn, Whiskey Creek Restaurant, Ocean Harvest Restaurant or any other indoor site.

*Wooden dollars. They will be used as payment for food and drinks at outdoor sites only. The one exception: The Sunday night program at Grumpy's Tent (Goodbye 2002 Jubilee) **WILL ONLY TAKE CASH**. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! Or you can save them for next year or donate them back to the Jazz Camp kids. **(No refunds.)**

Most indoor sites will accept cash/credit card only, with exception of the RV Park – wooden dollars are accepted there.

At the entrance to Tom's Woods and by the Big Top Tent, at the Badge Sales Booth, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars.

If paying by cash or check, there is no minimum: you can buy from \$1 up.

Also, look for Mammoth Lakes Jazz Jubilee chip girls, who will be walking around selling wooden dollars at Tom's Woods.

Most of All, Enjoy!

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tables, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

*Do have a good time, and we hope to see you next year, July 10-13, 2003! MLJJ

14th Annual Mammoth Lakes Jazz Jubilee

Take Home Music or a Video from Mammoth

For many years, the Mammoth Lakes Jazz Jubilee has produced CDs and videos in cooperation with GOAL Productions and the University of Southern California's School of Cinema-Television.

These CDs and videos are on sale in the souvenir tent at Tom's Woods, proceeds from which help support the annual Mammoth Lakes Jazz Camp, hosted by the Jubilee. Your support helps keep jazz in the system, and introduces more great music to up and coming players!

Here is a list of what's available:

CDs:

What's New at This Year's Jazz Jubilee

Hot jazz in the cool Sierra is here again with the 14th annual Mammoth Lakes Jazz Jubilee. As always, four music-filled and party-packed days of fun are on tap for the thousands who travel from far and wide to meet, greet, listen, dance, drink and gobble-up all that this huge festival has to offer.

Each year, the Jazz Jubilee expands a little and this year is no different. Twenty-plus bands, ten venues and a schedule that is full of performances, special events and more are what will make this year's Jubilee the biggest and perhaps best yet.

So just what's new at this year's Jubilee? First up is a special performance and fundraiser by a couple of husband and wife teams of musicians set to take place Wednesday, July 10. Jeff and Anne Barnhart will join Sherri Lynn Colby and Matt Bottel on the stages inside Whiskey Creek for a first-time performance together at a major event. You will hear jazz flute, ragtime piano, guitar, banjo, duets and many other combinations making this a NOT TO MISS musical experience!

This is also a first for the Mammoth Lakes Jazz Jubilee to offer an event the night prior to day one of the Jubilee!

The show will begin at 8:00 p.m. on Wednesday, July 10 and run until about 10:30 p.m. It is a fundraising event so there is a \$10 cover charge and remember to arrive early, as space inside the Creek can be limited.

Another hot item to purchase is a souvenir poster (framed or

unframed) of the magnificent photo that graces this year's Mammoth Lakes Jazz Jubilee brochure. Taken at last year's Finale by photographer Bonnie Colgan, the picture features the bass and playing of Jay Mueller of Bill Allred's Classic Jazz Band.

Jay and Bonnie will hold poster-signing sessions at Bonnie's booth located at Tom's Woods. Both will be available to sign on Friday from 3-4 p.m., Saturday from 5:30-6:30 p.m. and Sunday from 3-4 p.m. The poster will be available for purchase throughout the Jubilee at Bonnie's tent in Tom's Woods.

As always, several new bands grace the stages of the Mammoth Lakes Jazz Jubilee. This year's newcomers include "Your Father's Moustache," "Cornet Chop Suey," the "Doug Randall Quartet," "Pepper and Fine Thyme," and the "Kim Richmond/Bob Florence Ensemble." Some of the players in these bands have performed here before with other bands. Also be on the look out for the always-entertaining Igor who will be performing this year as "Igor, Gaylan and Big John," all previously members of "Igor's Jazz Cowboys!"

"Uptown Lowdown" returns after a few years' absence and many will remember this popular Washington State based group from several Jubilees ago.

The popularity of Swing Dance Lessons at last year's Jubilee inspired another dance style to be taught - Zydeco. So new this year, Peter Hoyt will offer three sessions for those interested in learning this unique dance style of the Cajun south. Opening night, Thursday, July 10, the first hour-long session is at the Holler at 7:30 p.m. On Friday, July 12, the lessons will also be taught at the Holler from 1:00-2:00 p.m. and on Saturday, July 13, check out an hour of Zydeco Dance Lessons at Grumpy's beginning at 7:45 p.m.

Jazzy T-Shirt Raffle

The Jazzy T-shirt raffle guarantees you get at least one great souvenir from the 2002 Mammoth Lakes Jazz Jubilee. Even if you don't win one of hundreds of fabulous prizes up for grabs you'll still have a beautiful T-shirt designed by Susie Baumwohl!

Here's how it works: Buy a Jazzy T-shirt, fill out attached entry card and enter it into the raffle. Buy two, and your chances increase. Every shirt is individually numbered to represent the purchaser's chance in the raffle.

The Jazzy T-shirt actually went on sale about a month ago at various local busi-

nesses. Since early July, weekly raffles have generated excitement about the Jubilee. Prizes, such as gift certificates and merchandise, have already been given away.

Come the festival's final hours, each entrant (whether a previous winner or not) will be placed into "the hat" for the grand prize drawing of two roundtrip airline tickets on Southwest Airlines and for the first prize drawing of a 27-inch color TV. Other top prizes include a CD portable stereo, a three-day, two-night stay at the Silver Legacy Resort Casino in Reno in one of their spa suites and a set of Ken Burns Jazz videos from his PBS series.

If you are a lucky winner of any of the many wonderful items being raffled, you can find Prize Pick-up at the back of Tom's Woods site.

You can't win if you don't play, so be sure to buy your Jazzy T-shirt at Tom's Woods T-shirt booth. Fill in the attached entry card and hand it to the Jubilee volunteers in the booth.

Even if your number is not called for the grand prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. Best of all, profits from the jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun!

Please note: Winners need not be present to win! MLJJ

BIG BAND BASH

Big Band Bash with Terry Myers – Double Your Fun!

Friday, July 12, 9–10:30 p.m. at the Big Top

Saturday, July 13, 8:15–9:45 p.m. at Tom's Woods

The enormously popular Big Band Bash will again take place two nights with the always-talented Terry Myers. Terry returns to Mammoth Lakes with his big-band charts — all the way from Orlando, Florida. All of those familiar tunes you love are sure to be included.

Many world-class players from this year's Jubilee line-up will join Myers and put on a show to remember. Big bands are not as widely in existence these days, so we encourage lots of players to participate. To

emphasize how good they are, the players don't rehearse before the performance; they just sight-read and swing!

Myers brings out the best in all of them. Be sure to stop by for at least part of these two 90-minute sets. MLJJ

SueZQ Designs for Jubilee

Mammoth Lakes Jazz Jubilee co-directors Ken and Flossie Coulter are proud to announce that this year's badge, T-shirt and logo design work are that of budding local artist, Susie Baumwohl of SueZQ Designs. While a resident of Mammoth Lakes for over 20 years and an art major in college, the graphic artist recently restarted her career in the past two years after a 20 year hiatus.

"I am very honored to be a part of this Mammoth institution, the 14th annual Mammoth Lakes Jazz Jubilee and look forward to seeing my design work displayed," said Susie.

The Coulters said they are pleased to feature a local artist in conjunction with the Jubilee.

A Friendly Reminder... Think Before You Drink!

For those of you unfamiliar with the altitude here in Mammoth Lakes — take it easy! At 8,000 feet, you and your body will react to things differently. Specifically, be careful when drinking alcohol.

Consuming two beers at a high altitude will affect you very differently than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus. *New! Please no alcohol on the school bus.* If you live outside the shuttle route, contact a site manager, who will find you a ride home.

Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official. *MLJJ*

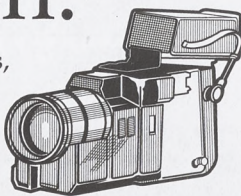

Lights, Camera, Action:

Over the years, GOAL Productions has produced several videos about the Jubilee. These include "More Jazz Up High," "Jazz in the High Sierra," "Mammoth Encores," "10 Years Old and Still Going Strong," and "Mr. Jack Daniel's Original Silver Cornet Band & Friends" which includes Bob Draga and Bill Allred's Classic Jazz Band.

These and other videos are on sale at the souvenir tent in the Woods Site.

Last year, they produced a CD titled "2001 Ballads & Things." It was recorded live at Ocean Harvest, mostly during the Pianorama, but include Draga, Barnhart and Coots tunes, too.

Jack Oswald is in charge of the production. He will be happy to answer any of your questions. *MLJJ*

Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs invaluable support.

The organization contributes to the Jazz Jubilee Jazz Camp, a weeklong program for young musicians interested in learning to play jazz. Their donations allow local students to participate in the popular camp.

Music Society members lend a hand at the Jazz Jubilee by working as information assistants at Tom's Woods. If you don't see a red-aproned information guide (with the big white "?" on the front of the apron), stop by the Music Society table and they will assist you.

The Music Society also contributes to other local events and organizations such as the Sierra Summer Festival, Mono County Arts Council, and the Community Chorus ("Messiah"). Additional contributions are given to Barber-shoppers, Brass Choir, school bands and choruses. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests and scholarships for promising high-school seniors. Double Eagle Resort & Spa Hosts Jazz Party Thursday, July 11 at 6:30 p.m.

The Double Eagle Resort and Spa in June Lake will again host an opening-night party (Thursday, July 11) to honor this year's Mammoth Lakes Jazz Jubilee. As in the past two years, Chicago Six will perform an hour-long set on the lawn at Ron's Pond beginning at 6:30 p.m.

Entry into the party is free; however, food and drinks will be available for purchase. Be sure to bring your own blankets and lawn chairs so you can sit back and enjoy great music while surrounded by the wonderful setting.

Jazz Jubilee Camp: Eight Years Strong

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a weeklong camp devoted to teenagers and to jazz.

This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its eighth year.

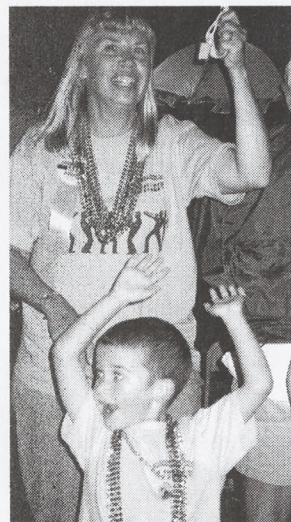

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 7 and runs through July 14. It is a unique opportunity for young musicians who want to learn all elements of jazz, and who wish to perform at a major jazz event.

The camp is not for simply learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience.

And, to top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Youth/Jazz Camp Band on the schedule.

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Bill in the experience, including Rusty Stiers,

Jim Buchmann, John Reynolds Lee Westenhofer, Dick Maley, Jason Wanner, and Shelley Burns.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as "The Professors". Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona and Idaho. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets. MLJJ

Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee donates money to send local students to jazz camp.

Part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at Tom's Woods, donates a jacket each year, for which we sell raffle tickets at \$1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket! MLJJ

Fifth Annual Musical Instrument Petting Zoo

**Saturday, July 13, 9:30 a.m.
at The Church**

Many of the people who attend festivals have never even touched a musical instrument, much less played one. In 1997, we thought it would be fun to have a Musical Instrument Petting Zoo, featuring many of the instruments used at the Mammoth Lakes Jazz Jubilee. It was such a huge success; we have brought it back every year since!

Kids, adults, musicians, and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people have since taken up their favorite instrument. The instructors sure got a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 13 at the Church site. Petting hours begin at 9:30 a.m., so stop by and hold, blow, beat, or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Best of all, jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the jazz camp. MLJJ

Our Philosophy

Still jazzing after all these years...

Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive. To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival, the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper: It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential, to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year. *MLJ*

Locals Elliott Thompson and Ken Coulter, along with friend Dave Koonse, formed the **Temple of Folly** over 20 years ago. Many players have come and gone since then, but for the last eight years, most of the players have stayed the same.

Flip Oakes, Don Rice, Bill Hunter and Isla Eckinger are all fine professional players. Expect them to perform great swinging jazz for you! The addition of vocalist Beverly Jensen is frosting on the cake!

Temple of Folly is the host band of the Mammoth Lakes Jazz Jubilee and the reason Elliott and Thelma Thompson started the Jubilee way back in 1989. You see, Elliott just wanted a great place to play. He sure got that!

Look for some hard-swinging jazz and some George Shearing sounds!

Beth Chorneau Leader, Vocals

Gerard Benson Bass
Jon Thornton Trumpet

Since the early 1990's, **Beth Chorneau Fourtet + 1** has become a Jubilee favorite here in Mammoth. What started out as a trio has grown to five players, each dazzling and talented in his/her own right.

Beth began performing in southern California, where she grew up singing and learning dozens of jazz standards while listening to her father's (Mammoth Lakes Jazz Jubilee co-director Ken Coulter) Sarah Vaughan and Ella Fitzgerald records. She branched out, singing in rock 'n' roll bands and even had a short stint in a country band.

For the last 15-plus years, however, Beth has dedicated her talents exclusively to jazz and has become the premiere jazz vocalist in her hometown of Charlotte, NC.

With husband, Jim Brock, on drums, Van Sachs on guitar, Gerard Benson on bass and trumpeter Jon Thornton, the Beth Chorneau Fourtet + 1 is a tight jazz ensemble. The Beth Chorneau group has been awarded the honor of being "Best Jazz Band in Charlotte" and Beth the "Top Female Vocalist in Charlotte" for many of the last nine years.

This hard-swinging unit known as **Bill Allred's Classic Jazz Band** started out as a "kicks band," collecting and playing some of the early works of small-band-arranged jazz. Just for the fun of it, they went to a few jazz festivals. That was over ten years and many albums ago! Now they enjoy worldwide acclaim as one of the most versatile bands in the business.

With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz plays big band, little band, traditional, Dixie, swing and straight ahead, with great arrangements from Matty Matlock to Doc Severinson. There is no denying it, this is an awesome swinging band!

Matt Bottel	Banjo, Guitar
Sherri Colby	Vocals

The **Blue Street Jazz Band** has been a major force on the Dixieland jazz circuit for a number of years and now features some of the youngest players on the circuit. Founded in 1983 by trumpet player Forrest Helmick and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively conceived arrangements have been the hallmark of the band, along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin" — Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The Blue Street Jazz Band earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. With almost 20 years as a group, more than a dozen top-selling albums and too-many-to-count live performances around the globe behind them, this is a band that is sure to be one of your favorites.

Known for their fast-paced, energetic and fun-filled performances, Blue Street will get you off your feet and onto the dance floor before you get your first libation. With inspiring and uplifting gospel tunes thrown into the mix, the band has a wide appeal to audiences and pleases both young and old alike.

Chicago Six

Vista, California

Bob Finch Leader, Bass
John Hall Drums
Bob McKewen Reeds, Vocals
Lloyd Hebert Trombone
Mickey McMann Trumpet
Si Perkoff Piano, Vocals
Yve Evans Vocals

Chicago Six is as much a tradition here in Mammoth as the Jazz Jubilee itself. They are recognized here as one of the most popular returning bands.

The band hails from Cardiff, a town just north of San Diego. A swinging group of musicians, Chicago Six has been around for more than 20 years. They first started playing as a pickup band to fill in on Friday nights with Dixie-style music at the Belly-Up Tavern.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected bands. Many of the talented members are veterans of some of the best-known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett, Les Brown, Lawrence Welk and Tex Beneke.

Of course, Chicago Six is joined by the great Yve Evans who belts out your favorite songs and adds a little comedic flair, as well. (Guess which boy above is Bob Finch's grandson).

Tommy Tucker Co-Leader, Trumpet
Robert L. "Bob" Row Piano, Trumpet, Alto Horn, Vocals
Jimmy Haislip Trombone
Al Sherman Bass
John Gillick Drums
Jerry Epperson Clarinet, Baritone Sax

Formed in 1997 by co-leaders Brian "Big B" Casserly and Tommy Tucker, **Cornet Chop Suey** is made up of seven multi-talented musicians who are all excited to make their Mammoth debut. Named after a popular Louis Armstrong tune, Cornet Chop Suey has at least a century of songs in their repertoire — from the rags and Dixie of the early 1900's to contemporary jump, jazz and swing.

Their two recordings, "Cornet Chop Suey — Live" and "Cornet Marmalade" were produced the old fashioned way: in a single evening in front of a live audience. The band wanted to capture the feel of 1950s-era jazz festival recordings and did so with much success.

Cornet Chop Suey features a high-energy front line and a powerful rhythm section. These members and supporters of the St. Louis Jazz Club are local favorites who keep you coming back for more!

Doug Randall Quartet

Carlsbad, California

Doug Randall Leader, Piano, Vocals

Some of you might remember Doug Randall as Temple of Folly's piano player in the beginning years of the Jubilee!

Now Doug, also known to many as the "Boogie Woogie King," brings along three other talented musicians with him to form the **Doug Randall Quartet**.

Since this is his first time back to the area since 1990, Ken and Flossie think he'll be pleasantly surprised! Give Doug's band a warm welcome here — you can best be sure there will be a lot of activity on the dance floor when their tunes start up.

Gaylan Taylor Guitar
Big John Cieslak Reeds, Trumpet

Igor, Gaylan and Big John are a trio of players who all hail from Igor's Jazz Cowboys, a long-time Mammoth favorite! As usual, these guys promise to be a lot of fun together.

Based out of Tempe, Ariz., the three musicians have been cooking up music for the past 15 years. As for Igor, well, he has been performing in and around Arizona for more than 35 years as a master guitarist, bass player and singer. Gaylan joins in the fun as a talented guitarist, and Big John is known to play so many instruments, it is hard to keep track of him!

Have a ball at their sessions here in Mammoth Lakes.

Dick and Larry have both performed at previous Mammoth Lakes Jazz Jubilees in the Phil Norman Band, as has the heralded pianist Bob Florence. Dick has also been here with Beachfront Property, and Larry is the son of Dave Koonse, who plays guitar with the Jubilee's host band, Temple of Folly.

Both Kim and Chris are new to Mammoth, so be sure to give them a genuine High Sierra welcome!

Kinda Dixie Jazz Band

Las Vegas, Nevada

Jim Fitzgerald Leader, Trombone, Vocals
 Greg Wing Trumpet
 Steve Johnson Reeds, Vocals
 Dan Ellis Piano, Vocals
 Ty Lemley Bass, Guitar, Banjo, Vocals
 Paul Testa Drums

When the music of old New Orleans meets up with the spirit of "old" Las Vegas, a lot of folks find the result kinda irresistible.

The **Kinda Dixie Jazz Band** plays its namesake music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

Leader and trombonist Jim Fitzgerald believes the success of the band lies in the fact that it isn't just traditional Dixieland but has evolved to a lot more four-part vocals and standards arranged for groups such as the Four Freshman and the Ink Spots.

The six-piece band has more than 350 arrangements in its songbook and ample opportunity to play them. For more than 15 years, they have been the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas.

Mammoth is kinda excited as it welcomes Kinda Dixie back to its Jazz Jubilee.

Also, we wish Greg Wing well with his new college teaching position at his alma mater, Morehead University in Kentucky.

Night Blooming Jazzmen

Claremont, California

Chet Jaeger Leader, Cornet, Vocals
 Dick Doner Trombone, Vocals
 Jim Richardson Reeds, Vocals
 Vinnie Armstrong Piano
 George Olson String Bass
 Don Richardson Banjo, Vocals
 Larry Kostka Percussion, Vocals

The **Night Blooming Jazzmen** return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an *ad hoc* band representing the influential Southern California Club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan emcee, and the whole band enters in on the hilarious and spontaneous shenanigans.

Jason Wanner Piano
Dick Maley Drums
John Reynolds Banjo, Guitar
Shelley Burns Vocals

This will be the seventh appearance of a creatively formed band called **"The Professors."** Made up entirely of teachers from the annual Mammoth Lakes Jazz Jubilee Camp, "The Professors" is led by camp administrator Bill Dendle.

"In the past, camp instructors hailed from various bands. It made scheduling very difficult, because the Jubilee's youth band is made up of camp participants," Jubilee Co-Director Ken Coulter explained. "A few years ago, we decided instructors could not be in a separate band, so we formed a new one." The success of "The Professors" was instantaneous.

Mammoth Lakes Jazz Jubilee is one of the few festivals where you can see this group together.

With so much talent and experience, they will surely bring the house down again this year!

Bob Draga Clarinet
Chuck Bond Cornet
Louis Brown Trombone
Jerry Krahn Guitar, Banjo
Gregory McCurty Tuba, Bass
Danny Coots Drums

The **Titan Hot Seven** is a Nashville-based hot-jazz band. Most of the seven have worked together for years in various combinations. This is their third time playing here at the Mammoth Lakes Jazz Jubilee, and we are excited to welcome them back to town.

The Titan Hot Seven's principal musical style is Hot Jazz, and since 1996, they have played it at jazz festivals and jubilees from Sacramento to Indian Wells to Chilliwack, B.C., to the Lake of the Ozarks. Three recordings are hot items to jazz lovers and include "Going to Tishomingo," "The Jean Wright Sessions," and "Jam in Music City."

Most of you have heard clarinetist Bob Draga's "fat sound" before and will be delighted when he teams up for special sessions with fellow band members Jeff Barnhart, a ragtime pianist, and Danny on drums.

Rounding out this fun and talented crew are Chuck Bond, Louis Brown, Jerry Krahn and Gregory McCurty (it's his first time to town).

Let us not forget Anne Barnhart, Jeff's wife. She'll be seen and heard around the Jubilee as part of a duo and quartet.

New Orleans, Louisiana

Tom Hook Leader, Piano, Vocals
 Dave Poe Sax, Vocals
 Ed Wise Bass
 Ed Metz, Jr. Percussion
 Mike Massessa Drums

They are back!

All across America, the swinging sounds of the forties are alive, and **Tom Hook & the Terrier Brothers** are thrilled! Jump-Jive continues to take the nation by storm, with small-band sounds like Louis Jordan's and Louis Prima's. Swing is the thing, and it's filling dance clubs on both coasts.

The Terrier Brothers are really offshoots of The Black Dogs and the Swing Cats Ball, both Mammoth favorites. This group of dedicated professionals has been performing traditional jazz all over the country and the world for about ten years. They've got several recorded albums, European tours and even a tour in China on their impressive resume.

Jump-Jive has always been a key ingredient to the success of this group, and now that it is once again *en vogue*, the band is poised to entertain a whole new generation of jitterbugs.

Don't miss this crew of dynamic musicians who swing hard, rock steady and drive everyone out of their seats and onto the dance floor. Their presence will surely be felt at the Goodbye 2002 party at Grumpy's Tent on Sunday night.

 Rose Marie Barr Piano
 Ken Keeler Banjo
 Mark Hobi Trombone
 Paul Woltz Reeds
 John Goodrich Reeds
 Art Horgen Tuba

It's back to a seven-piece band in 2002 for **Uptown Lowdown**, which makes a return appearance in Mammoth after a few years away. Last year's retirement of Bill Kick, who held the trombone chair with the band for 18 years, meant one less player. However, Andy Hall moved over a chair from second cornet to fill the vacancy on trombone.

Uptown Lowdown plays a modified version of San Francisco Traditional style, often known as "that band that has two bass saxes" or sometimes referred to as "Seattle Style."

No matter what style you call it, Uptown Lowdown produces a special sound of their own that guarantees audiences a good time.
